Linklaters LLP

This Principal Trust Deed was originally made on 10 October 2002 and is amended and restated on 20 July 2007 between:

- (1) **Dante Finance Public Limited Company** (an “**Issuer**”); and
- (2) **BNY Corporate Trustee Services Limited** (the “**Trustee**”, which expression, where the context so admits, includes any other trustee for the time being of this Principal Trust Deed for any Series).

Whereas:

- (A) The Issuer (as defined in Schedule 7) proposes to issue from time to time secured notes to borrow, buy, sell or enter into other secured obligations in the form of loans, options, schuldscheine or swaps in accordance with the Programme Agreement (the “**Programme**”).
- (B) A trust deed dated 10 October 2002 (the “**Original Principal Trust Deed**”) was entered into by the parties thereto (the “**Parties**”). The Parties wish to amend and restate the Original Principal Trust Deed by entering into this amended and restated principal trust deed dated 20 July 2007 (the “**Principal Trust Deed**”).
- (C) The Trustee has agreed to act as trustee of this Principal Trust Deed on the following terms and conditions.
- (D) Each Series will be constituted and secured by a Supplemental Trust Deed and any Other Security Document made between the relevant Issuer, the Trustee and (if applicable) the Swap Counterparty.
- (E) It is intended that certain companies (each a “**Specified Company**”) may incur Obligations pursuant to the Programme. Pursuant to the provisions of this Principal Trust Deed, any such Specified Company, by executing a Deed of Accession will agree to be bound by all the terms of this Principal Trust Deed and any other document executed in accordance with this Principal Trust Deed, and from and after execution and delivery of such Deed of Accession such Specified Company shall become and be treated as an “**Issuer**” for all the purposes hereof. References herein to the “**Issuer**” are references to the relevant Specified Company (including Dante Finance Public Limited Company) only in respect of the Notes issued by it and only in respect of the Master Documents (as defined in Schedule 7) to the extent that the Master Documents are applicable in respect of Notes issued by it, all in accordance with sub-Clauses 2.7 and 2.8, the terms of the other Master Documents and the relevant Supplemental Trust Deed.
- (F) The Trustee, being of the opinion that to do so is not materially prejudicial to the interests of the Noteholders, hereby agrees in exercise of the power conferred on it by sub-Clause 13.1 of the Original Principal Trust Deed to make the amendments to the Original Principal Trust Deed contained herein.

This deed witnesses and it is declared as follows:

1 Interpretation

- 1.1 Definitions:** Capitalised terms used in this Principal Trust Deed but not defined in this Principal Trust Deed shall have the meanings given to them in Schedule 7 hereto or in the Conditions unless the context does not allow.
- 1.2 Construction of Certain References:** References to:
 - 1.2.1** costs, charges, remuneration or expenses include any value added, turnover or similar tax charged in respect thereof; and
 - 1.2.2** an action, remedy or method of judicial proceedings for the enforcement of creditors' rights include references to the action, remedy or method of judicial proceedings in jurisdictions other than England as shall most nearly approximate thereto.
- 1.3 Headings:** Headings shall be ignored in construing this Principal Trust Deed.
- 1.4 Contracts:** References in this Principal Trust Deed to this Principal Trust Deed or any other document are to this Principal Trust Deed or those documents as amended, supplemented or replaced from time to time in relation to the Programme and include any document that amends, supplements or replaces them.
- 1.5 Schedules:** The Schedules are part of this Principal Trust Deed and have effect accordingly.
- 1.6 Alternative Clearing System:** References in this Principal Trust Deed to Euroclear and/or Clearstream, Luxembourg shall, wherever the context so permits, be deemed to include reference to any additional or alternative clearing system approved by the Issuer, the Trustee and the Issuing and Paying Agent.

2 Issue of Notes and Covenant to Pay

- 2.1 Issue of Notes:** Each Issuer may from time to time issue Notes in Tranches of one or more Series on a continuous basis with no minimum issue size in accordance with the relevant Programme Agreement. Before issuing any such Tranche, each Issuer shall give written notice or procure that such notice is given to the Trustee of the proposed issue of such Tranche, specifying the details to be included in the Final Terms or Series Prospectus in respect of the relevant Series. For each Series, any Notes created and issued pursuant to the provisions of this Clause shall be constituted by this Principal Trust Deed and the relevant Supplemental Trust Deed and secured as set out in this Principal Trust Deed and such Supplemental Trust Deed and the relevant Issuer shall execute and deliver to the Trustee in respect of each Series such a

Supplemental Trust Deed (if applicable, duly stamped or denoted) containing such provisions as the Trustee shall require. A memorandum of every Supplemental Trust Deed shall be endorsed by the Trustee on Schedule 5 to this Principal Trust Deed and by the relevant Issuer on the duplicate of this Principal Trust Deed.

- 2.2 Separate Series:** Where any Notes are issued, unless for any purposes the Trustee in its absolute discretion shall determine otherwise, all the provisions of this Principal Trust Deed shall apply separately to each Series and the expressions “Notes”, “Noteholders”, “holders”, “Coupons”, “Conditions”, “Mortgaged Property”, “Receipts”, “Talons”, “Credit Support Document” (as defined in the relevant Prospectus), “Credit Enhancement Provider”, “Swap Agreement” and “Swap Counterparty” together with all other terms that relate to Notes or to their Conditions shall be construed as referring to those of the particular Series in question and not of all Series unless expressly so provided, so that each Series shall be constituted by a separate trust and that, unless expressly provided, events affecting one Series shall not affect any other. However, in respect of a Series of Notes where there are Related Notes, unless for any purpose the Trustee in its absolute discretion shall determine otherwise, all the provisions of this Principal Trust Deed shall apply to such Notes and Related Notes together and *mutatis mutandis* (save for the provisions relating to the expressions, “Noteholders”, “Certificates”, “Receipts”, “Coupons”, “Couponholders” and “Talons”) and in respect of such Notes and Related Notes, the expressions “Mortgaged Property”, “Credit Support Document”, “Credit Enhancement Provider”, “Swap Counterparty” and “Swap Agreement” shall be construed as referring to both and each of the Notes and Related Notes unless expressly otherwise provided so that the Notes and Related Notes shall be constituted by a single trust and unless expressly provided, events affecting the Notes and Related Notes shall not affect any Series of Notes which are not Related Notes.
- 2.3 Covenant to Pay:** The relevant Issuer shall on any date when the Notes of any Series become due to be redeemed, in whole or in part, unconditionally pay to or to the order of the Trustee to that Series in the Contractual Currency, in the case of any Contractual Currency other than euro, in the principal financial centre for the Contractual Currency and, in the case of euro, in the city in which banks have access to the TARGET system, in same day funds the Redemption Amount of the Notes of that Series becoming due for redemption on that date together with any applicable premium and shall (subject to the Conditions) until such payment (both before and after judgment) unconditionally so pay to or to the order of the Trustee as

aforesaid interest on the principal amount of the Notes of such Series outstanding as set out in the Conditions (subject to sub-Clause 2.6) provided that (1) payment of any sum due in respect of the Notes of such Series made to the Issuing and Paying Agent for that Series as provided in the Agency Agreement shall, to that extent, satisfy such obligation except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders of such Series under the Conditions and (2) a payment made after the due date or as a result of the Notes of such Series becoming repayable following an Event of Default shall be deemed to have been made when the full amount due has been received by the Issuing and Paying Agent or the Trustee for that Series and notice to that effect has been given to the Noteholders for that Series (if required under sub-Clause 7.1.8), except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders under the Conditions. The Trustee will upon execution of the relevant Supplemental Trust Deed hold the benefit of this covenant on trust for the Noteholders and Couponholders of the relevant Series.

2.4 Discharge: Subject to sub-Clause 2.5, any payment to be made in respect of the Notes, Receipts or the Coupons of any Series by the relevant Issuer or the Trustee for that Series may be made as provided in the Conditions and any payment so made shall (subject to sub-Clause 2.5) to that extent be a good discharge to the relevant Issuer or the Trustee, as the case may be.

2.5 Payment After a Default: At any time after an Event of Default or a Potential Event of Default has occurred in respect of any Series, the Trustee may:

2.5.1 by notice in writing to the relevant Issuer and the Agents, require the Agents, until notified by the Trustee to the contrary, so far as permitted by applicable law:

- (i) to act as Agents of the Trustee under the Trust Deed and the Notes of such Series on the terms of the Agency Agreement or, in the case of the Custodian, the Custody Agreement (in each case, with consequential amendments as necessary and except that the Trustee's liability for the indemnification, remuneration and expenses of the Agents shall be limited to the amounts for the time being held by the Trustee in respect of such Series on the terms of the Trust Deed) and thereafter to hold all Notes, Certificates, Receipts, Coupons and Talons comprising such Series and, in the case of the Custodian, the

Collateral and all moneys, documents and records held by them in respect of such Series to the order of the Trustee or

- (ii) to deliver all Notes, Certificates, Receipts, Coupons and Talons comprising such Series and, in the case of the Custodian, the Collateral and all moneys, documents and records held by them in respect of such Series to the Trustee or as the Trustee directs in such notice; and

2.5.2 by notice in writing to the relevant Issuer require it to make all subsequent payments in respect of the Notes, Certificates, Receipts, Coupons and Talons of such Series to or to the order of the Trustee and not to the Issuing and Paying Agent.

2.6 Rate of Interest After a Default: If the Notes comprising any Series bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published unless the Trustee otherwise requires. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period (as defined in the relevant Prospectus) during which such Notes become so repayable.

2.7 Issues of Notes by Specified Companies: On or prior to the issue of any Series by a Specified Company other than Dante Finance Public Limited Company, such Specified Company will execute a Supplemental Trust Deed pursuant to which such Specified Company will agree to be bound by all the terms of this Principal Trust Deed and all Related Agreements, and from and after execution and delivery of such Supplemental Trust Deed such Specified Company shall become and be treated as an “**Issuer**” for all the purposes hereof. References herein to the “**Issuer**” are references to the Specified Company in respect of any Series (including Dante Finance Public Limited Company) only in respect of the Notes of such Series issued by it and only in respect of this Principal Trust Deed to the extent that this Principal Trust Deed is applicable in respect of such Notes issued by it, all in accordance with the terms of this Principal Trust Deed and the relevant Supplemental Trust Deed. (For the avoidance of doubt, any issue of any Series by any Specified Company (including Dante Finance Public Limited Company) will be constituted by this Principal Trust Deed and the relevant Supplemental Trust Deed.)

2.8 Rights and Liabilities of the Issuer: The Issuer shall be bound by this Principal Trust Deed and each of the other Master Documents and Related

Agreements to which it is a party only to the extent that the provisions of such documents relate to any Series of Notes issued by it and matters relating thereto. The Issuer shall not be bound by this Principal Trust Deed or any of the Master Documents and other Related Agreements to which it is a party to the extent that the provisions of such documents relate to any Series of Notes issued by any other Specified Company.

The liability of the Issuer under this Principal Trust Deed and each of the Master Documents and Related Agreements to which it is a party is several and is separate in respect of each Series of Notes issued by the Issuer. The Issuer shall not be responsible for the obligations of any other Specified Company under this Principal Trust Deed or under any of the Master Documents or other Related Agreements. The failure of the Issuer to perform its obligations in respect of any Series issued by the Issuer under this Principal Trust Deed or under any of the Master Documents and Related Agreements to which it is a party shall not release the Issuer from its obligations under this Principal Trust Deed or under any of the Master Documents or other Related Agreements in respect of any other Series issued by the Issuer and shall not release any other Specified Company from its obligations under this Principal Trust Deed or under any of the Master Documents or other Related Agreements. No Specified Company has any obligations in respect of Notes of the Series issued by any other Specified Company. The rights of the Specified Companies under this Principal Trust Deed and each of the Master Documents or other Related Agreements are also several and are also separate in respect of each Series of Notes issued by any such Specified Company.

The provisions in this Principal Trust Deed concerning costs, expenses, fees, remuneration and other financial obligations (whether arising under indemnities or otherwise) shall apply separately to each Series of Notes in respect of the costs, expenses, fees, remuneration and financial obligations which arise in respect of such Series of Notes. No such amount incurred in respect of any Series of Notes will be deducted from any amount payable to Noteholders or Couponholders, as the case may be, in respect of any other Series of Notes nor will any such amount be in any other way charged to any other such holders. The provisions of this Principal Trust Deed shall be read accordingly.

3 Form of the Notes

- 3.1 The Global Notes:** Each Series of Notes shall be represented by a Temporary Global Note or a Permanent Global Note (together “**Global Notes**”) or one or more Certificates in the principal amount of the Tranche being issued.

Interests in Temporary Global Notes shall be exchangeable for interests in Permanent Global Notes as set out in each Temporary Global Note. Interests in Permanent Global Notes shall be exchangeable for Definitive Notes and/or Registered Notes as set out in each Permanent Global Note.

3.2 The Definitive Notes: For each Series, the Definitive Notes, Receipts, Coupons and Talons shall be security printed and the Certificates shall be printed, in each case in accordance with applicable legal and stock exchange requirements substantially in the forms set out in Schedule 2. The Notes and Certificates (other than Global Certificates) shall be endorsed with the Conditions.

3.3 Signature: For each Series the Bearer Notes shall be signed manually or in facsimile by two directors of the Issuer and all other Notes and Certificates may be signed by an authorised signatory of the Issuer. Notes shall be authenticated by or on behalf of the Issuing and Paying Agent and Certificates shall be authenticated by or on behalf of the Registrar. Notes and Certificates on which are affixed the facsimile signature of a director or authorised signatory of the Issuer during the period that director held office or that authorised signatory was an authorised signatory may be used, even if at the time of issue of the relevant Notes and Certificates that director no longer holds office or that authorised signatory is no longer an authorised signatory. Notes and Certificates so executed and authenticated shall be or, in the case of Certificates, represent binding and valid obligations of the Issuer.

4 Stamp Duties and Taxes

For each Series the Issuer shall pay any stamp, issue, documentary or other taxes and duties, including interest and penalties, payable in the jurisdiction of incorporation of the Specified Company, Belgium, Luxembourg, the United Kingdom and the country of each Contractual Currency in respect of the creation, issue and offering of the Notes, Certificates, Receipts, Coupons and Talons of that Series and the execution or delivery of the Trust Deed. The Issuer shall also indemnify the Trustee, the Noteholders and the Couponholders of each Series from and against all stamp, issue, documentary or other taxes paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Noteholders or the Couponholders to enforce the Issuer's obligations under the Trust Deed or the Notes, Certificates, Receipts, Coupons or Talons of such Series.

5 Security

This Clause 5 shall apply separately to the security for each Series, save as varied in respect of any Series by the relevant Supplemental Trust Deed.

- 5.1 The Mortgaged Property:** The Issuer with full title guarantee and as continuing security grants in favour of the Trustee such charge and/or security interest as set out in the relevant Supplemental Trust Deed in respect of the relevant Series.
- 5.2 Mortgaged Property as Continuing Security:** For each Series, the charges and/or security interest created pursuant to sub-Clause 5.1 are granted to the Trustee as continuing security (i) for the payment of all sums due under the Trust Deed and the Notes and the Coupons of such Series, and (ii) for the performance of the Issuer's obligations (if any) under certain agreements as set out in the relevant Supplemental Trust Deed in respect of such Series. The Trustee shall release from such charges any part of the Mortgaged Property when it becomes payable or deliverable to the extent that payment or delivery of it may be obtained and duly paid or made (as the case may be) to a Swap Counterparty under a Swap Agreement and/or to the holders of Notes, Coupons and Receipts. The Trustee shall also release from the charges thereby granted any sum held by the Custodian and/or the Account Bank and/or Issuing and Paying Agent and/or the Registrar to meet payments due in respect of the Notes to the extent that payment of all sums due under the Trust Deed and the Notes and Coupons of the relevant Series be duly made.
- 5.3 Liability in respect of Mortgaged Property:** For each Series, the Trustee shall not be responsible for, nor shall it have any liability with respect to any loss or theft or reduction in value of any of the Mortgaged Property and shall not be obliged to insure the same and shall have no responsibility or liability arising from the fact that the same will (if applicable) be held in safe custody by the Custodian or other custodian approved beforehand in writing by the Trustee. The Trustee shall not be responsible for the validity, value, sufficiency and enforceability (which the Trustee has not investigated) of the security created over the Mortgaged Property for that Series.
- 5.4 Rights of the Issuer:** For each Series until any security over any of the Mortgaged Property becomes enforceable the Issuer may, with the sanction of an Extraordinary Resolution (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series) or with the prior written approval of the Trustee:
- 5.4.1 take such action in relation to the Mortgaged Property as it may think expedient; and
 - 5.4.2 exercise the rights incidental to the ownership of the Mortgaged Property and, in particular (but without limitation and without responsibility for their exercise); any voting rights in respect of such property and all rights to enforce it.

The Issuer will not exercise any rights with respect to any Mortgaged Property unless it has the Trustee's consent or is directed to do so by an Extraordinary Resolution of Noteholders (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series) and, if such direction or consent is given, the Issuer will act only in accordance with such direction or consent.

5.5 Enforcement of Security: For each Series, the security over the Mortgaged Property shall become enforceable if (i) any amount due in respect of the Notes is not paid or delivered when due or (ii) a Swap Agreement terminates with sums due to the Swap Counterparty. In addition, if part of the principal amount of the Notes of such Series is mandatorily redeemed under Condition 6(c), the security created over that part of the Mortgaged Property which relates to such Notes and with respect to any part of a Swap Agreement to that Series which terminates as a result of such redemption shall become enforceable. In that event references herein to the Trustee exercising powers of enforcement of such security shall be read accordingly. If, in respect of a Series of Notes where there are Related Notes, the security in respect of the Notes becomes enforceable, the Trustee shall, if in its opinion there is a conflict of interest between its duties as trustee for the Noteholders and as trustee for the holders of the relevant Related Notes, act solely with respect to the interests of the Controlling Series.

5.6 Trustee taking possession of Mortgaged Property: At any time after any security in relation to any Series of Notes shall have become enforceable in whole or in part, (i) if requested in writing by the holders of at least one-fifth in aggregate principal amount of the relevant Notes (or, in respect of a Series of Notes where there are Related Notes, if so required in writing by the holders of at least one fifth in aggregate principal amount of the Controlling Series) then outstanding or (ii) if directed by an Extraordinary Resolution of the holders of the Notes of such Series (or, in respect of a Series where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series) or (iii) if so directed in writing by the Swap Counterparty for such Series when sums the claims in respect of which are secured are due to the Swap Counterparty, (unless this would in the Trustee's opinion be contrary to the interests of the holders of Notes, Coupons or Receipts for that Series (whichever shall be the first request or direction to be given)), the Trustee shall, and otherwise in its discretion may, (in each case subject to it having been indemnified to its satisfaction against any loss, liability, cost, claim, action, demand or expense which may be incurred or made against it in connection therewith) enforce the security over the Mortgaged Property. To do this it may, at its discretion, take possession of all

or part of the Mortgaged Property for that Series over which the security shall have become enforceable and may in its discretion sell, call in, collect and convert into money all or part of the Mortgaged Property in such manner and on such terms as it shall think fit. The power of sale under Section 101 of the Law of Property Act 1925 (but without the restrictions imposed by Sections 93 and 103 of such Act) shall apply and have effect on the basis that the relevant Supplemental Trust Deed constitutes a mortgage within the meaning of that Act and the Trustee is a mortgagee exercising the power of sale conferred on mortgagees by that Act with limited title guarantee.

5.7 Discharge: For each Series the Trustee's receipt for any moneys paid to it in relation to such Series shall discharge the person paying them and such person shall not be responsible for their application.

5.8 Appointment of Receiver: In relation to any Series, the Trustee may in writing appoint a receiver of all or part of the Mortgaged Property over which any security shall have become enforceable and may remove any receiver so appointed and appoint another in his place. No delay or waiver of the right to exercise these powers shall prejudice their future exercise. The following provisions shall have effect:

5.8.1 Such appointment may be made before or after the Trustee shall have taken possession of all or part of the relevant Mortgaged Property.

5.8.2 Such receiver may be vested by the Trustee with such powers and discretions as the Trustee may think expedient including, without limitation, all the powers set out in Schedule 1 to the Insolvency Act 1986 (subject to sub-Clause 18.2) and may sell, concur in selling, assign or release any of the relevant Mortgaged Property without restriction and on such terms as he may think fit and may effect any such transaction in the name or on behalf of the Issuer or otherwise.

5.8.3 Such receiver shall in the exercise of his functions conform to the regulations from time to time made by the Trustee.

5.8.4 The Trustee may from time to time fix such receiver's remuneration and direct its payment out of moneys accruing to him in respect of such Series in the exercise of his powers as such receiver.

5.8.5 The Trustee may from time to time and at any time require such receiver to give security for the due performance of his duties as receiver and may fix the nature and amount of the security to be given. The Trustee need not, however, in any case require any such security nor shall it be responsible for its adequacy or sufficiency.

5.8.6 All moneys received by such receiver shall be paid over to the Trustee unless the Trustee directs otherwise.

5.8.7 Such receiver shall be the Issuer's agent for all purposes. The Issuer alone shall be responsible for his acts, defaults and misconduct and neither the Trustee, the Noteholders nor the Swap Counterparty for such Series shall incur any liability therefor.

5.8.8 None of the Trustee, the Noteholders or the Swap Counterparty for such Series shall be responsible for any misconduct or negligence on the part of any such receiver.

5.9 Perfecting the Security: For each Series the relevant Issuer shall take such action as the Trustee may reasonably require (1) to perfect or protect the security created or intended to be created by or pursuant to the Trust Deed over the Mortgaged Property for that Series and (2) from time to time and at any time after the security constituted by or pursuant to the Trust Deed shall have become enforceable to facilitate the realisation of such security and the exercise of the functions of the Trustee or any receiver of any such Mortgaged Property. A certificate from the Trustee to the effect that a particular action is reasonably required by it shall be conclusive evidence of that fact.

5.10 Ability to Borrow on Mortgaged Property: For each Series the Trustee may raise and borrow money on the security of the Mortgaged Property for that Series or any part of it in order to defray moneys, costs, charges, losses and expenses paid or incurred by it in relation to the Trust Deed (including the costs of realising any security and the remuneration of the Trustee) or in exercise of any of the powers contained in the Trust Deed in relation to such Series. The Trustee may raise and borrow such money on such terms as it shall think fit and may secure its repayment with interest thereon by mortgaging or otherwise charging all or part of such Mortgaged Property whether or not in priority to the security constituted by or pursuant to the Trust Deed and generally in such manner and form as the Trustee shall think fit and for such purposes may take such action as it shall think fit. The Trustee shall not, however, permit such security to be used by way of stocklending before such security becomes enforceable.

5.11 Attorney: For each Series the relevant Issuer by way of security irrevocably appoints the Trustee and every receiver of any Mortgaged Property appointed pursuant to this Principal Trust Deed to be severally its attorney (with full power of substitution) on its behalf and in its name to do anything which the Issuer ought to do under this Principal Trust Deed and generally to exercise all or any of the functions of the Trustee or any such receiver. The relevant

Issuer ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do or purport to do in the exercise or purported exercise of such functions.

5.12 Liability of Trustee: For each Series neither the Trustee nor any such receiver or any attorney or agent of the Trustee shall by reason of taking possession of any Mortgaged Property for that Series or any other reason and whether or not as mortgagee in possession be liable to account for anything except actual receipts or be liable for any loss or damage arising from the realisation of such Mortgaged Property or from any act, default or omission in relation to such Mortgaged Property or from any exercise or non-exercise by it of any of its powers, authorities or discretions in relation to such Mortgaged Property or otherwise unless such loss or damage shall be caused by its own fraud.

5.13 Powers additional to the Law of Property Act 1925: The powers conferred by this Principal Trust Deed in relation to the Mortgaged Property of any Series on the Trustee or on any receiver of any such property shall be in addition to those conferred on mortgagees or receivers under the Law of Property Act 1925. If there is any ambiguity or conflict between the powers contained in such Act and those conferred by this Principal Trust Deed, the terms of this Principal Trust Deed shall prevail.

5.14 Dealings with Trustee: For each Series no one dealing with the Trustee or any receiver of any of the Mortgaged Property for that Series appointed by the Trustee need enquire whether any of the powers, authorities and discretions conferred by or pursuant to this Principal Trust Deed in relation to such property are or may be exercisable by the Trustee or such receiver or as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers. The protection to purchasers contained in Sections 104 and 107 of the Law of Property Act 1925 shall apply to anyone dealing with the Trustee or such receiver as if the statutory powers of sale and of appointing a receiver in relation to the property hereby charged had not been varied or extended by this Principal Trust Deed.

6 Application of Moneys received by the Trustee and Payments

6.1 Declarations of Trust: For each Series, save for any moneys received in connection with the realisation or enforcement of all or part of the security constituted by or pursuant to the Supplemental Trust Deed or any other Security Document in relation to that Series, all moneys received by the Trustee in respect of the Notes of that Series or amounts payable under the Trust Deed in relation to that Series will, despite any appropriation of all or

part of them by the Issuer, be held by the Trustee on trust to apply them (subject to sub-Clause 6.3):

- (i) first, in payment of all costs, charges, expenses and liabilities properly incurred by the Trustee (including remuneration payable to it) in carrying out its functions under the Trust Deed in relation to that Series;
- (ii) secondly, in payment of any amounts owing to the Swap Counterparty for that Series, the Custodian or the Noteholders or Couponholders in respect of the Notes or Coupons for that Series *pari passu* and rateably; and
- (iii) thirdly, in payment of any balance to the Issuer for itself.

If the Trustee holds any moneys in respect of Notes or Coupons which have become void or Notes, the claims in respect of which have become prescribed under Condition 9, the Trustee will hold them on these trusts.

6.2 Application of Moneys Received: Subject to the provisions of each relevant Supplemental Trust Deed and sub-Clause 6.3, the Trustee shall apply all moneys received by it under this Principal Trust Deed and the relevant Supplemental Trust Deed in connection with the realisation or enforcement of the security constituted thereby and by any Other Security Document as follows:

- (i) if “**Swap Counterparty Priority**” is specified in the relevant Supplemental Trust Deed:
 - (A) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee’s remuneration);
 - (b) secondly, in meeting claims of the Paying Agents and/or the Transfer Agents and/or the Custodian and/or the Account Bank for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
 - (C) thirdly, rateably in meeting the claims (if any) of the Swap Counterparty under each Swap Agreement;
 - (D) fourthly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts

in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment; and

(E) fifthly, in payment of the balance (if any) to the Issuer,

provided that, if the "Swap Counterparty Priority" is expressed in the relevant Supplemental Trust Deed and Final Terms or Series Prospectus to be subject to adjustment on a Swap Counterparty default, and if and to the extent that the Swap Counterparty fails to make payments due to the Issuer under any Swap Agreement and the Issuer promptly notifies the Trustee in writing of any such failure (which notice shall be conclusive and binding), the above application of moneys shall be amended so that the claims of the Swap Counterparty will, to the extent that there has been such failure, rank after the claims (if any) of the holders of Notes, Coupons and Receipts and before the claims of the Issuer in relation to the balance (if any).

(ii) if "**Pari Passu Ranking**" is specified in the relevant Supplement Trust Deed;

(A) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);

(B) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Transfer Agents and/or the Account Bank for reimbursement in respect of payments properly made to any person in discharge of an Obligation;

(C) thirdly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts and the Swap Counterparty under each Swap Agreement. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment;

(D) fourthly, in payment of the balance (if any) to the Issuer.

(iii) if "**Noteholder Priority**" is specified in the relevant Supplemental Trust Deed:

(A) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any

receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);

- (B) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Transfer Agents and/or the Account Bank for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
 - (C) thirdly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment;
 - (D) fourthly, in meeting the claims (if any) of the Swap Counterparty under each Swap Agreement; and
 - (E) fifthly, in payment of the balance (if any) to the Issuer.
- (iv) if "**Other Priority**" is specified in the relevant Supplemental Trust Deed and Final Terms or Series Prospectus, the Trustee shall apply all moneys received by it under the provisions of the Principal Trust Deed and the relevant Supplemental Trust Deed in connection with the realisation or enforcement of the security constituted thereby, as set out in the relevant Supplemental Trust Deed and Final Terms or Series Prospectus.

6.3 Accumulation: If the amount of the moneys at any time available for payment in respect of any Notes of any Series under sub-Clause 6.1 or 6.2 shall be less than 10 per cent. of the principal amount of such Notes then outstanding, the Trustee may at its discretion invest such moneys. Any rate, method and date so specified shall be binding on the Issuer, the Noteholders, the Couponholders and the Swap Counterparty (if any).
- 9.14 **Title of the Issuer to Mortgaged Property:** The Trustee shall accept without investigation, requisition or objection such right and title as the Issuer has to any of the Mortgaged Property and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer to the Mortgaged Property or any part thereof whether such defect or failure was known to the Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not.
- 9.15 **Insurance:** The Trustee shall not be under any obligation to insure any of the Mortgaged Property or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance.

The Contracts (Rights of Third Parties) Act 1999 applies to this sub-Clause 9.17.
- 9.18 Validity of Security:** The Trustee assumes no responsibility for the validity, sufficiency or enforceability (which the Trustee has not investigated) of the security purported to be created by this Principal Trust Deed, any Supplemental Trust Deed, any other Security Document, any Swap Agreement, any pledge or other document. In addition, the Trustee has no duty to monitor the performance by the Agents or any Swap Counterparty or any Credit Enhancement Provider of their obligations to the Issuer nor is it obliged (unless indemnified to its satisfaction) to take any action which may involve the Trustee in any personal liability or expense.

- 9.24 Determination or Calculation by the Trustee:** For each Series, if the Issuing and Paying Agent does not at any time for any reason so determine the Interest Rate or calculate the Interest Amount for an Interest Accrual Period, the Trustee shall do so and such determination or calculation shall be deemed to have been made by the Issuing and Paying Agent. In doing so, the Trustee shall apply the provisions of Condition 5, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

11.3 Proof of Default: Proof that the Issuer has failed to pay a sum due to the holder of any one Note, Receipt or Coupon shall (unless the contrary be proved) be sufficient evidence that it has made the same default as regards all other Notes, Receipts or Coupons of the same Series that are then payable.

12 Trustee not precluded from entering into Contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Receipt, Coupon, Talon or other security (or any interest therein) of the Issuer of such Series or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

13 Modification and Substitution

13.1 Modification: The Trustee may, in respect of each Series, agree without the consent of the Noteholders or Couponholders to any modification to the Conditions or to this Principal Trust Deed or any Supplemental Trust Deed or Swap Agreement which is, in the opinion of the Trustee, of a formal, minor or technical nature or to correct a manifest error. The Trustee may also so agree to any modification to this Principal Trust Deed or any Supplemental Trust Deed or Swap Agreement that is in its opinion not materially prejudicial to the interests of the Noteholders of such Series, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3.

13.2 Substitution:

13.2.1 The Trustee may, without the consent of the holders of the Notes, Coupons, Receipts or Talons but subject to the consent of the relevant Swap Counterparty, agree to the substitution, in place of the Issuer, or any previous substituted company, as the principal debtor under this Principal Trust Deed and any Supplemental Trust Deed, any other Security Document, the Notes, Receipts, Coupons and Talons in respect of any one or more series, of any other company (incorporated in any jurisdiction) (the “**Substituted Issuer**”), provided that:

- (i) the outstanding ratings of any Notes issued by the Issuer are not adversely affected as confirmed in writing by the appropriate rating agency;
- (ii) a deed is executed or an undertaking given by the Substituted Issuer to the Trustee in a form satisfactory to the Trustee, agreeing to be bound by this Principal Trust Deed, any other Security Document, any relevant Supplemental Trust Deed and by the Notes, Receipts, Coupons and Talons of the relevant Series (with any consequential amendments which may be appropriate) as if the Substituted Issuer had been

named herein and in the Notes, Receipts, Coupons and Talons of such Series as the principal debtor in place of the Issuer;

- (iii) the Substituted Issuer acquires the Issuer's equity of redemption in the relevant Mortgaged Property (if any) or otherwise assumes all rights, obligations and liabilities in relation to the Mortgaged Property, acknowledges the security created in respect thereof pursuant to the relevant Supplemental Trust Deed, any other Security Document, and takes all such action as the Trustee may require so that each such security constitutes a valid legal charge, pledge or other security interest as was originally created by the Issuer for the obligations of the Substituted Issuer;
- (iv) if any two Directors of the Substituted Issuer certify that the Substituted Issuer will be solvent immediately after the time at which the said substitution is to be effected, the Trustee need not have regard to the financial condition, profits or prospects of such Substituted Issuer or compare the same with those of the Issuer;
- (v) the Trustee is satisfied that (I) all necessary governmental and regulatory approvals and consents necessary for or in connection with the assumption by the Substituted Issuer of liability as principal debtor in respect of, and of its obligations under, the Notes, Receipts, Coupons, Talons and any Swap Agreement have been obtained and (II) such approvals and consents are at the time of substitution in full force and effect;
- (vi) the Issuer and the Substituted Issuer execute and the Issuer procures that the Swap Counterparty executes such other deeds, documents and instruments (if any) as the Trustee may require in order that such substitution is fully effective and complies with such other requirements in the interests of the holders of the Notes, Receipts, Coupons and Talons as the Trustee may direct;
- (vii) in connection with any proposed substitution of the Issuer, the Trustee may, without the consent of the holders of such Notes, Receipts, Coupons or Talons agree to a change of the law from time to time governing the Notes and Coupons and/or this Principal Trust Deed and/or any relevant Supplemental Trust Deed, provided that such change of governing law is not, in the opinion of the Trustee, materially prejudicial to the

interests of such Noteholders and Couponholders in respect of the Mortgaged Property;

(viii) a legal opinion satisfactory to the Trustee is provided concerning any proposed substitution.

13.2.2 Upon the execution of such documents and compliance with such requirements as are referred to in sub-Clause 13.2.1, the Substituted Issuer shall be deemed to be named as the Issuer in this Principal Trust Deed (insofar as it affects the relevant Series), any other Security Documents, the relevant Supplemental Trust Deed, and the relevant Notes, Receipts, Coupons or Talons, all of which shall thereupon be deemed to be amended in such manner as is necessary to give effect thereto. Agreement by the Trustee to such substitution shall operate to release the Issuer from all of its obligations as principal debtor in respect of the relevant Series under this Principal Trust Deed, any other Security Document, and the relevant Supplemental Trust Deed. Not later than 14 days after the execution of any such undertaking and such other deeds, documents and instruments as aforesaid and compliance with the said requirements of the Trustee the Substituted Issuer shall, unless the Trustee agrees otherwise, give notice thereof to the relevant Noteholders.

13.3 Change in tax residence: The Trustee may agree to or require, without the consent of the Noteholders or the Couponholders, the change in the place of residence of the Issuer for taxation purposes, provided that:

13.3.1 the Trustee is satisfied that (a) all governmental and regulatory approvals and consents necessary for or in connection with the change by the Issuer of its place of tax residence have been obtained and (b) such approvals and consents are at the time of change in full force and effect;

13.3.2 the Issuer executes such other deeds, documents and instruments (if any) as the Trustee may require in order that such change in place of tax residence is fully effective and complies with such other requirements in the interest of the Noteholders as the Trustee may direct;

13.3.3 in connection with any proposed change in the place of tax residence of the Issuer, the Trustee may, without the consent of the Noteholders or the Couponholders agree to a change of the law from time to time governing such Notes and Coupons and/or this Principal Trust Deed and/or any relevant Supplemental Trust Deed, provided that such change of governing law is not, in the opinion of the Trustee,

materially prejudicial to the interests of such Noteholders in respect of the Mortgaged Property;

13.3.4 such change shall not adversely affect any existing rating of any Notes issued by the Issuer as confirmed in writing by the appropriate rating agency; and

13.3.5 a legal opinion satisfactory to the Trustee is provided concerning any change in the place of tax residence of the Issuer.

13.4 **Transfer under the Swap Agreement:** In relation to any outstanding Notes which are rated, the Trustee shall agree to a transfer of any Swap Counterparty's rights and obligations under any Swap Agreement in accordance with its terms and shall agree to any amendment to such Swap Agreement to allow such transfer, provided that the transferee Swap Counterparty has obtained a rating for its obligations under such Swap Agreement at least equal to that obtained by the transferor Swap Counterparty in relation to its obligations under such Swap Agreement from Standard & Poor's and/or Moody's and/or Fitch, if applicable, or from any other statistical rating organisation generally recognised by banks, securities houses and investors in the euro-markets.

14 **Appointment, Retirement and Removal of the Trustee**

14.1 **Appointment:** The Issuer has the power of appointing new Trustees but no one may be so appointed unless previously approved by an Extraordinary Resolution of the relevant Noteholders (or in respect of a Series where there are Related Notes, the approval of holders of the Controlling Series by Extraordinary Resolution). A trust corporation shall at all times be a Trustee and may be the sole Trustee.

14.2 **Retirement and Removal:** Any Trustee may retire in respect of any Series at any time on giving at least three months' written notice to the Issuer without giving any reason or being responsible for any costs occasioned by such retirement and the relevant Noteholders may by Extraordinary Resolution (or, in respect of a Series of Notes where there are Related Notes, the holders of the Controlling Series may by Extraordinary Resolution) remove any Trustee provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the Issuer shall use all reasonable endeavours to procure that another trust corporation be appointed as Trustee and if it does not procure the appointment of a new trustee within 30 days of the expiry of the Trustee notice referred to in this Clause, the Trustee shall be entitled to

procure forthwith a new trustee acting on the same or substantially the same terms at the Trustee.

14.3 Co-Trustees: The Trustee may, despite sub-Clause 14.1, by written notice to the Issuer appoint anyone to act as an additional trustee jointly with the Trustee:

14.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

14.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

14.3.3 to obtain a judgment or to enforce a judgment or any provision of this Principal Trust Deed or any Supplemental Trust Deed in any jurisdiction.

Subject to the provisions of this Principal Trust Deed and/or any relevant Supplemental Trust Deed the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer and that person, remove that person. At the Trustee's request, the Issuer shall forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

14.4 Competence of a Majority of Trustees: If there are more than two Trustees the majority of them shall be competent to perform the Trustee's functions provided the majority includes a trust corporation.

14.5 Merger: Any corporation into which the Trustee may be merged or converted, any corporation with which the Trustee may be consolidated, amalgamated or any corporation resulting from any merger, amalgamation, conversion or consolidation to which the Trustee shall be a party, any corporation to which the Trustee shall sell or otherwise transfer all or substantially all of its assets or any corporation to which the Trustee shall sell or otherwise transfer all or substantially all of its corporate trust business, shall, to the extent permitted by applicable law, be the relevant successor Trustee under this Principal Trust Deed without the execution or delivery of any papers or any further act on the part of the parties hereto whereupon the Issuer and such successor shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Principal Trust Deed. Notice of any such merger, amalgamation, conversion, consolidation, sale or transfer shall forthwith be given by the Trustee to the Issuer and, as soon as practicable, to the Noteholders in accordance with Condition 14.

15 Notes held in Clearing Systems and Couponholders

- 15.1 Notes held in Clearing Systems:** If, and so long as, any Global Note is, or any Notes represented by a Global Certificate are, held on behalf of a clearing system, in considering the interests of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note or the Registered Notes and may consider such interests on the basis that such accountholders or participants were the holder(s) thereof.
- 15.2 Couponholders:** No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Receipts, Coupons and Talons relating to it.

16 Currency Indemnity

- 16.1 Currency of Account and Payment:** The Contractual Currency is the sole currency of account and payment for all sums payable by the Issuer under or in connection with the Trust Deed, the Notes, the Receipts and the Coupons, including damages.
- 16.2 Extent of Discharge:** An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or otherwise), by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only discharge the Issuer to the extent of the Contractual Currency amount that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).
- 16.3 Indemnity:** If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under the Trust Deed, the Notes, the Receipts or the Coupons, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase.
- 16.4 Indemnity Separate:** The indemnities in this Clause 16 and in sub-Clauses 8.4 and 9.17 constitute separate and independent obligations from the other obligations in this Trust Deed, shall give rise to a separate and independent

cause of action, shall apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder or Swap Counterparty and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Notes, the Receipts and/or the Coupons or any other judgment or order.

18 Enforcement and Non-recourse

18.1 Enforcement: Only the Trustee may enforce the rights of the holders of Notes, Coupons, Receipts and Talons and/or the Swap Counterparty against the relevant Issuer, whether the same arise under general law, this Principal Trust Deed, any Supplemental Trust Deed, the Notes, the Coupons, the Receipts or Talons (if any) or otherwise, and the holders of Notes, Coupons, Receipts and Talons and/or the Swap Counterparty shall not be entitled to proceed directly against that Issuer unless the Trustee, having become bound to proceed in accordance with the terms of this Trust Deed, fails or neglects to do so.

18.2 Non-Recourse: The Trustee, Swap Counterparty (if any) and the holders of Notes, Coupons, Receipts and Talons shall have recourse only to the Mortgaged Property in respect of the relevant Series and, the Trustee having realised the same, the Trustee, Swap Counterparty (if any) and the holders of Notes, Coupons, Receipts or Talons, or anyone acting on behalf of any of them shall not be entitled to take any further steps against the Issuer to recover any further sum and no debt shall be owed to any of such persons by the Issuer in respect of any such further sum. In particular, neither the Trustee, Swap Counterparty (if any) nor any holder of Notes, Coupons, Receipts or Talons shall be entitled to institute, or join with any other person in bringing, instituting or joining, insolvency proceedings (whether court based or otherwise) in relation to the Issuer, nor shall any of them have any claim in respect of any sum arising in respect of the Mortgaged Property for any other Series.

19 Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Principal Trust Deed has no rights, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise, to enforce any term of this Principal Trust Deed except that and to the extent (if any) that this Principal Trust Deed expressly provides for that Act to apply to any of its terms.

20.1 Governing Law: This Principal Trust Deed, the Notes, the Coupons, the Talons and the Receipts shall be governed by and construed in accordance with English law.

20.2 Jurisdiction: The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Principal Trust Deed, any Supplemental Trust Deed, the Notes, the Receipts, the Coupons or the Talons and accordingly any legal action or proceedings arising out of or in connection with this Principal Trust Deed, any Supplemental Trust Deed, the Notes, the Receipts, the Coupons or the Talons ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of the Trustee and the holders of Notes, Receipts, Coupons and Talons and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

20.3 Service of Process: The Issuer irrevocably appoints Lehman Brothers International (Europe) to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in England the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the Trustee and shall immediately notify the Trustee of such appointment. Nothing shall affect the right to serve process in any other manner permitted by law.

21 Counterparts

This Principal Trust Deed may be executed in counterparts which when taken together shall constitute one and the same instrument.

4 Exchange

If this Temporary Global Note is an Exchangeable Bearer Note, this Temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date (as defined below) by its presentation to the Issuing and Paying Agent. If any payment in full of principal is made in respect of any Note represented by this Temporary Global Note, the portion of this Temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the principal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

If any other payments are made in respect of the Notes represented by this Temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made). The second exception to Condition 6(d)(i) and Condition 7(e) will apply to the Definitive Notes only.

7 Cancellation

Cancellation of any Note represented by this Temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the principal amount of this Temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the principal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

This Global Note is exchangeable in part (provided, however, that if this Global Note is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, the rules of Euroclear and/or Clearstream, Luxembourg, as the case may be, so permit) (i) if this Global Note is an Exchangeable Bearer Note and the part hereof submitted for

exchange is to be exchanged for Registered Notes or (ii) if so provided, and in accordance with, the Conditions relating to Partly-paid Notes.

“**Exchange Date**” means a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and, except in the case of exchange pursuant to (d) above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

Subject as provided in the Conditions applicable to Partly-paid Notes, any such exchange may be effected on or after an Exchange Date by the holder of this Global Note surrendering this Global Note or, in the case of a partial exchange, presenting it for endorsement to or to the order of the Issuing and Paying Agent.

In exchange for this Global Note, or part thereof to be exchanged, the Issuer shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes and/or (if this Global Note is an Exchangeable Bearer Note) Certificates in an aggregate principal amount equal to the principal amount of this Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this Global Note), security printed or, in the case of Certificates, printed in accordance with any applicable legal and stock exchange requirements and substantially in the form set out in Schedule 2 to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Third Schedule hereto.

Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or an Alternative Clearing System.

On any exchange of a part of this Global Note the portion of the principal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the principal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

5 Benefit of Conditions

Except as otherwise specified herein, this Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Global Note is exchanged for Definitive Notes or Registered Notes, the holder of this Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive

Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

6 Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this Global Note for exchange, delivery of Definitive Notes or Certificates is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of the Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made. The second exception to Condition 6(d)(i) and Condition 7(e) will apply to the Definitive Notes only.

7 Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this Global Note shall become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date.

8 Meetings

The holder of this Global Note shall (unless this Global Note represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, as having one vote in respect of each integral currency unit of the specified currency of the Notes.

9 Cancellation

Cancellation of any Note represented by this Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the principal amount of this Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in

the First Schedule hereto, whereupon the principal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

10 Purchase

Notes may only be purchased by the Issuer if they are purchased together with the right to receive all future payments of interest and Instalment Amounts (if any) thereon.

11 Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required.

12 Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this Permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the principal amount of Notes in respect of which the option is exercised and at the same time presenting this Permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation accordingly in the Fourth Schedule hereto.

13 Notices

Notwithstanding Condition 14, notices in respect of the Notes represented by this Global Note may be given by their being delivered (so long as this Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be.

14 Negotiability

This Global Note is a bearer document and negotiable and accordingly:

- (a) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (b) the holder of this Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of Redemption Amount interest or otherwise payable in respect of this Global Note and the Issuer has waived against such holder and any previous holder of this Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (c) payment upon due presentation of this Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this Global Note.

No provisions of this Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This Global Note shall be governed by and construed in accordance with the laws of England.

In witness whereof the Issuer has caused this Global Note to be duly signed on its behalf.

Schedule 2
Part C
TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms in relation to a particular Series of Notes, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions, as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the Principal Trust Deed and/or the relevant Supplemental Trust Deed. Those definitions will be endorsed on the Definitive Notes or Certificates, as the case may be. References in the conditions to "Notes" are to the Notes of one Series of a relevant Issuer only, not to all Notes that may be issued under the Programme and references to the "Issuer" are to the Specified Company that is stipulated as such in the relevant Final Terms.

These Conditions may be amended, modified, or varied in relation to any Series of Notes by the terms of the relevant Supplemental Trust Deed in relation to such Series. Italicised text set out herein does not form part of the Conditions and is set out for information purposes only.

The Notes are constituted and secured by a relevant supplemental trust deed (the "**relevant Supplemental Trust Deed**"), dated the date of issue of the Notes (the "**Issue Date**"), between the Issuer, BNY Corporate Trustee Services Limited (formerly known as J.P. Morgan Corporate Trustee Services Limited) (the "**Trustee**", which expression shall include all persons for the time being the trustee or trustees under the Trust Deed (as defined below)) as trustee for, inter alia, the Noteholders (as defined below) and, if applicable, the persons specified therein as a Swap Counterparty (as defined in Condition 3(a)). The relevant Supplemental Trust Deed is supplemental to a principal trust deed dated 10 October 2002 as amended and restated on 20 July 2007 and made between Dante Finance plc (the "**First Issuer**") and the Trustee (the "**Principal Trust Deed**", which expression shall include any amendments or supplements thereof and together with the relevant Supplemental Trust Deed, the "**Trust Deed**"). These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An agency agreement dated 10 October 2002 as amended and restated on 20 July 2007 has been entered into in relation to the Notes between the First Issuer, the Trustee, The Bank of New York (as successor to JPMorgan Chase Bank, N.A.) as, inter alia, initial

issuing and paying agent and as custodian and account bank and the other agents named in it (as amended or supplemented as at the Issue Date, the “**Agency Agreement**”). The issuing and paying agent, the custodian, the account bank, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Issuing and Paying Agent”, the “Custodian”, the “Account Bank”, the “Paying Agents” (which expression shall include the Issuing and Paying Agent), the “Registrar”, and the “Transfer Agents” (which expression shall include the Registrar). A Programme Agreement dated 10 October 2002 as amended and restated on 20 July 2007 has been entered into in relation to the Notes between the First Issuer and Lehman Brothers International (Europe) as Dealer (the “**Dealer**”) and where appropriate as Arranger (the “**Arranger**”) in relation to a particular series, the Trustee, the Issuing and Paying Agent and Registrar (the “**Programme Agreement**”). The Issuer (save for the First Issuer) has acceded to the Principal Trust Deed, the Agency Agreement and the Programme Agreement pursuant to a Deed of Accession dated on or before the Issue Date. Copies of the Principal Trust Deed, the Agency Agreement and the Programme Agreement are available for inspection during usual business hours, at the principal office of the Trustee (presently at One Canada Square, London E14 5AL) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders (the “**Couponholders**”) of the interest coupons (the “**Coupons**”) appertaining to interest bearing Bearer Notes and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) and the holders of the receipts for the payment of instalments of principal (the “**Receipts**”) relating to Bearer Notes of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement and the Programme Agreement.

Under the Principal Trust Deed the Issuer may also borrow under, buy, sell or enter into other secured obligations in the form of loans (“**Loans**”), options (“**Options**”), schuldscheine (“**Schuldscheine**”) or swaps (“**Swaps**”) (each, including the obligations under the Notes, an “**Obligation**”).

References in these Conditions to “Mortgaged Property” are to the assets and agreements comprising the mortgaged property upon which the Notes are secured as described in the Final Terms.

Full details of the relevant Mortgaged Property will be set out in the relevant Final Terms.

If so specified in the relevant Supplemental Trust Deed, the Issuer has, in relation to the Notes, entered into one or more derivative transactions confirmed in a Swap Agreement (as defined in Condition 3(a)) with a Swap Counterparty with an effective date as of the Issue Date.
